Information on the changes that have taken place

With a view to meeting the information requirement laid down in Act LXXXV of 2009 on the Provisions of Payment Services, let us inform you about the following: According to the Terms and Conditions of the Payment Services III.2.1.3. and III.2.4. the price of some bank accounts, bankcards and services are going to be modified from 1st April 2022.

The reason of the modification is the change of the consumer price index (determined by the KSH for year 2021). The Bank do a favour to its customers and adjusts its prices mostly downwards when the modification of the consumer price index is applied.

The changes are highlighted with italics.
