## Information on the changes that have taken place

With a view to meeting the information requirement laid down in Act LXXXV of 2009 on the Provisions of Payment Services, let us inform you about the following: According to the Terms and Conditions of the Payment Services III.2.1.3. and III.2.4. the price of some bank accounts, bankcards and services are going to be modified from 1 st April 2021.

The reason of the modification is the change of the consumer price index (determined by the KSH for year 2020). The Bank do a favour to its customers and adjusts it prices mostly downwards when the modification of the consumer price index is applied.
